Introducing a Bible-based community

Introduction

The Christadelphians are brothers and sisters in Christ. They are a Bible-based community, seeking to follow the teachings of Jesus Christ as recorded in the Bible. They believe in the inspiration and inerrancy of the Bible and strive to live according to the principles set forth in Scripture. The Christadelphians are committed to the propagation of the Christian message, as they seek to share the good news of salvation with others.

In 1880, a group of people joined together to form the first Christadelphian society. Since then, the community has grown and spread to many parts of the world. They share a common faith and a commitment to living according to the principles of the Bible, as they seek to follow the example of Jesus Christ.

The Christadelphians believe in the full inspiration and inerrancy of the Bible and strive to live according to the teachings of Jesus Christ. They seek to propagate the Christian message and to share the good news of salvation with others.

1. Our beliefs

The Bible

Our beliefs in God, Man, and Hope are grounded in the teachings of the Bible. The Bible is the primary source of inspiration for these beliefs.

God

Our beliefs in God, the creator of the universe, are rooted in the teachings of the Bible. The Bible states that God is the one true God, and that He is the creator of all things.

Man

Our beliefs in Man, the image of God, are also rooted in the teachings of the Bible. The Bible states that Man was created in the image of God, and that Man has the ability to choose between good and evil.

Hope

Our beliefs in Hope are also rooted in the teachings of the Bible. The Bible states that there is hope for all who believe in God, and that they will one day inherit eternal life.
